Firecrackers
Pop
Spark
Spirals
Circles
Lines and dots
Balloons Fly
Scatter about
Floating upward
upward,
out of sight

And time flies
Teachers
like mirrors
reflecting past
learning on
pupils who
are like
clay
impressionable
to be molded
and shaped
into perfection

Quiz
like a parrot
repeating
something once
learned trying to
have
something
finally
sink in
to be retained
in
one's own
mind
then to be
passed on
to those who follow.

String
Taut and Tight
Classes
Taut when ideas
or lessons trying
to be conveyed
both snap and
relaxation sets in
only minutes
Organizations
like string
encircle ideas
and hold them
to treasure
their very
essence

Participate . . .
That's right
It's
Another part
of it all . . . Life
To live, play, search,
love, and turn on
with those
about us
To reflect
To pause
To be refreshed
And strengthened . . .

Birth

Life

and sleep

Treasure

the inbetween

and yet . . .

Birth gives life

time needed to realize

goals and objectives

Death

Time to reflect

on earlier

accomplishments

And Yet . . .

have you noticed
